

## Changes in the Referral and Evaluation Process for Children Under Age 3

Beginning on May 1, 2022, all referrals and evaluations for children under the age of 3 with developmental concerns or disabilities will be coordinated through Early Intervention Colorado.

This change to Early Intervention referrals and evaluations\* is being made to:

- Ensure families and children across Colorado have equitable access to developmental support
- Streamline the program to be easier for families and providers to navigate

\*granted by legislation SB21-275

Please note that Child Find (Colorado Department of Education/local school districts) will no longer accept referrals for children under age 3 as of May 1. All referrals and evaluations for children under 3 with disabilities or developmental concerns will be coordinated through Early Intervention Colorado.\*\*

Early Intervention referrals and evaluations will occur within a coordinated, state system.

Families will continue to receive Early Intervention services through local Community Centered Boards, either in person or virtually.

### Anyone can make a referral to Early Intervention!

A referral can be made online, by phone or by fax:

**Complete**  
the online  
referral form:  
[sforce.co/3jgWfp0](https://sforce.co/3jgWfp0)

**Call**  
833-733-3734  
(833) REFER-EI

**Email**  
[GetStartedwithEI@state.co.us](mailto:GetStartedwithEI@state.co.us)

**Download**  
the referral form and fax  
to 303-866-5944  
[sforce.co/3uUEfWl](https://sforce.co/3uUEfWl)

**Contact**  
your local Community  
Centered Board  
[sforce.co/38RLveR](https://sforce.co/38RLveR)

If you have questions about this change, please contact Jody Berg,  
Early Intervention Evaluations Manager at [jody.berg@state.co.us](mailto:jody.berg@state.co.us) or (720) 633-6099

\*\*Early Intervention Colorado is currently part of the Colorado Department of Human Services (CDHS). Once the Colorado Department of Early Childhood (CDEC) is established, Early Intervention Colorado will reside within the CDEC.
